

Jdu na test

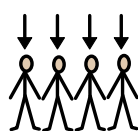

Moje

škola

chce,

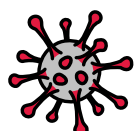

aby se všichni

cítíli v bezpečí.

Půjdu na test

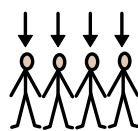

na koronavirus.

Testy

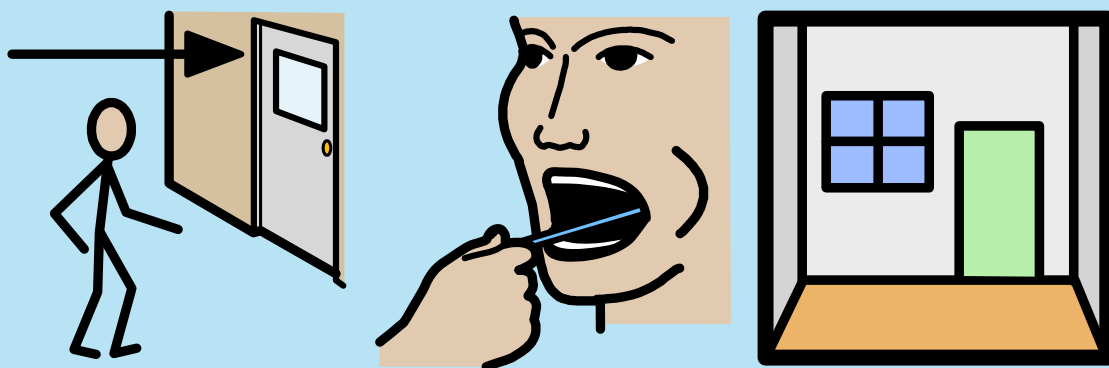

pomáhají

všem

cítit se bezpečně.

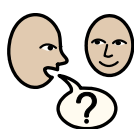

V testovací místnosti

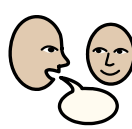

+

Umyju a osuším si ruce.

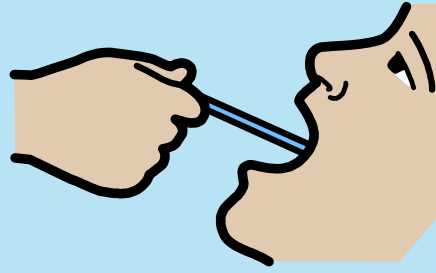

+

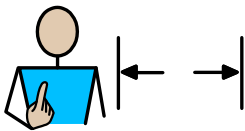

Můžu se na všechno zeptat a říct, když mám strach.

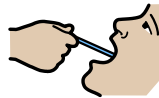

Dospělí budou mít roušku.

Výtěr z úst

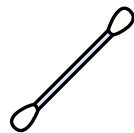

Hodně

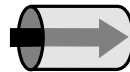

otevřu ústa.

Dospělý

zasune tyčinku

dovnitř

mých úst.

Je to

velmi rychlé

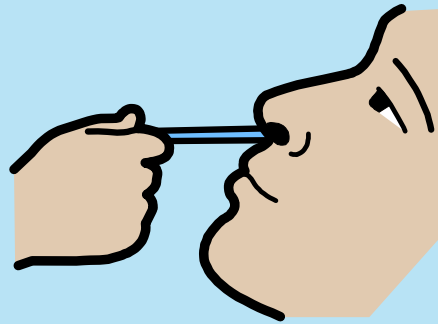

a

může to

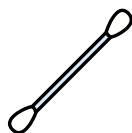

šimrat.

Výtěr z nosu

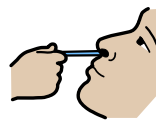

Dospělý

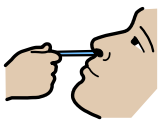

zasune tyčinku

dovnitř

mého nosu.

Je to

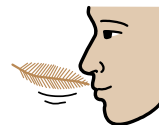

velmi rychlé

a

může to

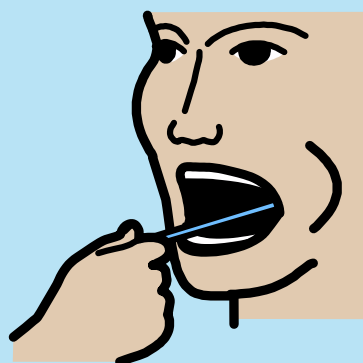

šimrat.

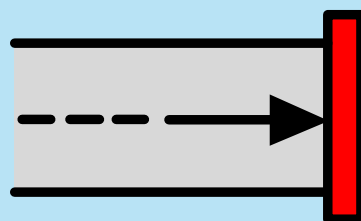

Můj test

je hotový.

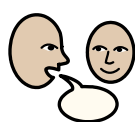

Test

je hotový

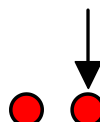

Dospělí

mi řeknou,

jestli potřebuji

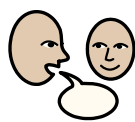

další

test.

Dospělí

mi řeknou,

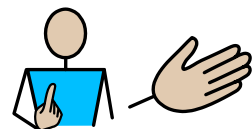

jestli mohu

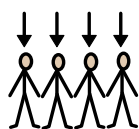

jít do

školy.

Pomohl/a jsem

všem

cítit se v bezpečí.
